

The Legion of Mary in the Parish

The Legion of Mary holds a weekly meeting (in the side room) at St Patrick's Church after the 10:00am Mass every Tuesday. As members we have devotion to Our Blessed Lady.

At this time there are six members. Our work consists of visiting the sick, lonely and housebound. We have five care homes and some personal homes we visit on a rota basis. We are urgently in need of new members who can spare a few hours every week to do Our Lady's work.

There are so many old and lonely people in the Parish of Blessed John Henry Newman who would love to know someone cares and have a visit from the legion.

Please come and find out all about us, you will be very welcome at the meeting!
